

Hobart and William Smith Colleges proudly presents the
Leader of the Month Award
for September 2008 to
Katie Taylor

Katie Taylor embodies the leadership skills and spirit that Hobart and William Smith students strive to achieve. She is an impressive William Smith student and an amazing role model for underclassmen.

Most recently, Katie served as the co-chair for the new and improved "Days of Service" through the Center for Student Engagement and Service Learning. Through this new effort to expand to three days during the fall we enable even more people to serve in the Geneva community.

Katie personifies the best qualities of student leaders at Hobart and William Smith. She has been an integral member of a variety of organizations on and off campus. She serves as the secretary for Hip NotiQs and co-chair of First Book Geneva which fundraises and allocates books to low-income children in our area. Katie is a member of Hai Timiai and is involved in Learn to Lead (L2L), and is a teaching fellow for Spanish and Hispanic Studies.

Over the summer, Katie worked as a program associate for Mobilize.org, a non-profit all-partisan organization, that works to connect youth to public policy and political/community involvement through public policy and activism. Not surprisingly, due to her good work, she was offered a job to work for them full time after graduation this May.

Overall, Katie Taylor has shown extraordinary leadership on campus. She deserves to be recognized for her dedication to the HWS community and to the Geneva community. She is a leader in every sense of the word. Our campus would not be the same without her!

Congratulations!
